Time to golf yet???

It's that time of year again, where you need to dust off the clubs, get out the golf shoes, and charge the golf cart in preparation for the course to open. Now, I know we're all anxious to get on the course and crossing our fingers that it opens sooner, rather than later. Please remember this very important rule – if the flags are not in, then the course is not open. Walking on the greens can severely damage them, so please be patient (as difficult as it is).

News of Note:

Some of you may not be aware that our superintendent, Dayton Ruby, has informed us of his intentions to take another position with Finkbine Golf Course in Iowa City. We certainly have enjoyed Dayton and the work he and his staff have put into our golf course. Behind the scenes you need to know that Dayton dedicated himself to the golf course and put in the time and effort necessary to maintain and build upon what we have. Dayton was always diligent with his staff, budget, and equipment. We will miss having Dayton as a member of the HCC staff and we wish him well moving forward. Given that information, the board is in search of a new superintendent and has begun the interview process with hopes of filling the position as soon as possible with a qualified and dedicated superintendent. Stay tuned.

Humboldt Country Club Annual Meeting - April 13 at 6:30 p.m.

Please put April 13 on your calendar to attend the Humboldt Country Club's Annual Meeting. As a member, you need to be in attendance to gain an understanding of the current and future financial situation of HCC as to gain insight and provide input on various agenda items the current board is dealing with. Another agenda item for the annual meeting is election of new board members. We have two board openings and I would strongly encourage you to consider running for the board, especially if you have not served in the past. If you want to make a difference and provide leadership for HCC moving forward, this is your chance. Every member should consider running for the board to lend expertise, opinion, and insight on behalf of the membership. As members, we all have an obligation to overseeing this club and ensuring we can continue to grow in membership and golf value. Sitting on the sidelines talking about it won't do any good, and is frankly counterproductive. If you are interested in running for the board please contact me at dennis@efminc.com or call 332-7027.

Look at the calendar in this newsletter to plan your April activities. You can see we've begun to fill in many of the days with various events. Many of these events are Men's League/stag events and we look forward to adding more events as they are given to us to include on the calendar. If you have information that needs to be on the website or calendar you can contact myself or Ron Marchant to have that included (rmarchant@chantlandpulley.com).

A couple of late Thank Yous

To Dan Shiflett for the time and effort spent on patching some of the bad asphalt on the cart paths. We are all aware what this weather does to our own sidewalks and driveways and the aging cart paths are no exception. Thanks to Dan, we can have a little more comfort riding over the paths this year. Thanks, Dan!

On behalf of the membership I'd also like to extend a thank you to Jim Vermeer for his continued efforts with the HCC website. We appreciate the website and definitely the amount of time and effort Jim puts into it. Thanks, Jim, and keep up the good work!

And finally ...

Here are your action items as a member of the Humboldt Country Club - write them down so you don't forget!

1. Put the evening of April 13 on your calendar for the Annual Meeting!!
2. Consider running for the board of HCC and email me that you would like to be on the ballot.
3. Dust off your clubs and shoes and charge the cart ... we're getting close!
4. Always check www.golfhumboldt.com for updates and information on HCC happenings!!

See you all on April 13!

Denny Robinson
