Dear Members,

One more month of summer, let's all get out and enjoy it. After another tough 30 days of weather the course has been holding up in excellent shape.

Some members have been questioning the speed and firmness of our greens. Our course superintendent has written an explanation, which is too long to include in our newsletter, but will be posted on our website and a copy will be in the proshop. If anyone would like to ask Cory anything, feel free to stop out and see him in person or give him a call.

Our next board meeting will be on Monday, August 9. All members are welcome to attend. If any members have any concerns, please give the board members a call. All of our contact numbers have been posted at the clubhouse.

Enjoy the rest of the summer!!!
