## FROM THE PRESIDENT:

Dear Members:

Things are looking up! Every time I turn around lately I hear something positive about the club. For example, so many members have commented that the course is in the best shape they have ever seen! Special thanks goes to Cory and his crew for doing such an excellent job! The new fairway mowers are working great. And, another special thanks to the Nielsens at John Deere for giving the club such a good deal.

Clubhouse activities have also been picking up. The twice monthly special event meals have had a great attendance especially considering all of the graduation parties this month.

We held our first Couples Golf Night and all I've heard is how much fun everyone had. Sixteen couples participated the first time out .. what a great turnout!

Spring Fling was a huge success with 63 women participating. That's twice as many as last year and several new teams signed up for league. Way to go, ladies!

The club also received many compliments from the high schools participating in the conference meet hosted by our own Humboldt High School. Our hospitality towards these young players says great things about Humboldt Country Club.

Speaking of compliments, many of our members have stepped

up to help beautify the course this spring. A special thanks to Bill and Sherri Petersen for donating the new lights up front of the clubhouse and to John and Barb Kirkpatrick, Bret and Deb Harklau, and the Petersens for the flowers on number one tee. If any other members would like to contribute or donate to the beautification of the course, please let us know! It is all greatly appreciated.

Your President  
Kent Mueller

## COUPLES' NIGHT

We started our first couples night with 16 couples last Friday night! We all had a great time drawing for partners and playing a best shot. After golfing we gave out prizes and had broasted chicken with several choices of salads. Great meal and the service was wonderful!

We will have our next couples golf on June 4 at 5:30 p.m., with dinner following. Mark your calendars and invite your friends!

Last Friday the big winners were: Jerry and Mardelle Helmke and Gary and Eileen Tull. They won with the low score of 33. Closest to the pin on #4 for men was Dennis (Arnie) Fuller. Closest to the pin on #6 for women was Marilyn Charon
